Mr. David A. Katcher  
IDA  
1666 Connecticut Avenue, NW  
Washington 9, D. C.

Dear Dave -

I appreciate your and Murph's invitation to attend the Jason meeting last week. I had hoped to get in some of the time, but unfortunately events got in the way.

If there ever are any papers resulting from these meetings, I should be particularly interested in seeing those relative to the subjects covered by Slattery, Ferri and Dick Latter.

Sincerely,

Herbert Scoville, Jr.
